

## **SUPER SIZE ME – QUOTES**

“If this ever-growing paradigm is going to shift, it's up to you.”

“You like food! You like food! Kentucky Fried Chicken and a Pizza Hut!”

“I'm feeling a little McCrazy.”

“Everything's bigger in America”

“America has now become the fattest nation in the world”

“They're paying for it not only with their wallets but with their waistlines”

“Where does personal responsibility stop and corporate responsibility begin?”

“In terms of responsibility it's far to point the big gun at MacDonalds”

“A lot of those ads appeal primarily to kids”

“We're supersizing everything”

“They're trained to tell you to buy a bigger size”

“We live in an environment that almost guarantees we get sick”

“If they don't change their eating and exercise habits they're gonna end up with liver failure transplants or death”

“It's not a realistic way to live”

“I'll eat some and I'll want more – more, more, more...”

“America's been McDonalised – it's been franchised out”

“The average American child sees 10,000 food advertisements a year on TV”

“They want to be there to addict children for life”

“You are a little strung out on ham”

“They're a business no matter what they say”

“I'm your pusher man”

“McDonalds calls people who eat their food at least once a week heavy users – I'm not kidding”

“I had no idea this was gonna be such a dangerous experiment”

“I think we know the damage that can be done”

“Fast food is overtaking and it's supersized the nation”

**DON'T FEEL YOU HAVE TO CHOOSE ONE OF THESE... PICK YOUR OWN**
